The Harrelson Center is a nonprofit campus that supports and partners with other nonprofit organizations in the Wilmington community to provide centralized humanitarian services. The Center has its own direct services program with local churches to provide emergency financial assistance.

Support is provided to our 18 nonprofit partners through:

Below Market Rental Rates • Paid Utilities • Parking and Security
Building Care & Maintenance • Marketing & Promotions

Educational Opportunities • Networking & Social Events • Volunteer recruitment
Support through community partnerships & The Help Hub

This synergistic environment allows nonprofits to operate more efficiently and better utilize funding. We strive to educate our community about the services offered on our campus and provide assistance to connect people, organizations, donors, and volunteers. Come tour with us the first Tuesday of each month!
