Care

Promotes sense of normalcy & belonging for the child in foster care

Many youth enter foster care with very few belongings, if any at all. They arrive at the foster home without their favorite blanket, outfit or other familiar comfort items. Our New Placement Comfort Bags provide clothing, toiletries, shoes, toys, books, blankets and other comfort items for the youth to call their own.

Puts the caregivers focus on the emotional and psychological well-being of the child

Foster Pantry takes care of the essential tangible items so that the caregiver can focus on ensuring the child feels as safe and secure as possible in their new environment.

Love

Fills the gaps in the foster care system when policy and funding fall short to restore dignity to the youth as they transition through foster care

Foster Pantry is always looking for new ways to support our youth, whether its celebrating 18th birthdays, providing bus passes or hosting a night out for the youth who are at risk of aging out of foster care.

Hope

Supports those who care for youth in foster care to reduce disruptions in placements and retain foster parents.

Reduces the initial financial strain on the caregiver and promotes a sense of community by providing and connecting caregivers with educational, emotional and tangible support.

Faith
