Thank you **FORE** your support!

The Harrelson Center provides centralized humanitarian services to the Cape Fear Region. Together, with 20 nonprofit partners on campus and 20 associate partners off campus, we make a measurable impact in the lives of community members.

This synergistic environment allows nonprofits to operate more efficiently and better utilize funding. We strive to educate our community about the services offered on our campus and provide assistance to connect people, organizations, donors, and volunteers.

Come tour with us the first Tuesday or third Thursday of each month!
